Re: National Association of Broadcasters Political Action Committee (NABPAC), C00009985

Dear Ms. Seay:

In response to your RFAI referencing the Amended March Monthly Report and the Amended April Monthly Report, NABPAC had already redesignated the questioned contributions in the May Monthly Report. Redesignations to the general elections were reported for the following committees:

Friends of Rahm Emanuel
Volunteers of Shimkus
Friends of Phil Hare
Melissa Bean for Congress
Dutch Ruppersberger for Congress
Hoyer for Congress

NABPAC will be sending you copies of the letters sent in April 2008 to the above committees, which notified them of the redesignation to the general election. Please see the May Monthly Report for the redesignations.

Thank you,

The National Association of Broadcasters Political Action Committee (NABPAC)
